Melissa Levine
Director of Special Services

January 25, 2023

Dear Parent/Guardian,

This message is intended for parents/guardians of WW-P students who attend out of district (OOD) schools. In the event of inclement weather, the following will occur:

1. If WW-P Schools are open and your child's OOD school is closed, transportation will not be provided. Students may NOT attend their WW-P home schools on days when the OOD school is closed.
2. If WW-P Schools are open and your child's OOD school is delayed, transportation will follow the delay for the OOD school.
3. If WW-P Schools are closed and your child's OOD school is open or delayed, transportation will not be provided.
4. If WW-P Schools are delayed and your child's OOD school is open or delayed, transportation will be based on the WW-P delay start time.

When WW-P Schools are closed and an OOD school is open or delayed, it will be the parent's responsibility to transport their child. This is to ensure the safety of our students, bus drivers and bus aides. If a student's OOD school is closed and WW-P schools are open, students may NOT attend their WW-P home school.

Most school districts report their school closing or delay on their district website as well as New Jersey 101.5 FM radio. Please be sure to check those in the morning, if you have not been notified in advance for an impending storm.

In the event of an unexpected early dismissal, the OOD school shall notify the WW-P transportation department as well as the OOD families.

We apologize for any inconveniences this may cause. The safety of our students and staff is our first priority.

Sincerely,
Melissa Levine
Director of Special Services
